Supporting refugees

# introduction

*This report has been prepared for the inaugural general meeting (IGM) of Buddies Refugee Support Group Ltd (Buddies Ltd) on 26 June 2016. It provides a summary of important achievements and activities of Buddies Ltd since its incorporation in July 2015.*

*The decision for Buddies to become incorporated was made by a clear majority of those who participated in an on-line poll in April 2015, following an extensive period of discussion amongst Buddies supporters over the preceding 4-6 months.*

# corporate information

The initial directors of Buddies Ltd came from the 'incorporation working group' that was established at the Buddies meeting on 26 April 2015, and are: Audrey Raymond, Garry Bates and Fergus FitzGerald. The initial company secretary is Margaret Landbeck and the initial member is John Ennis. These formal positions were required to establish Buddies Ltd as a corporate entity.

Key milestones in the formation and operation of Buddies Ltd during 2015-16 are summarised below:

- Registered in Queensland as a non-listed public company limited by guarantee by ASIC on 6 July 2015; ACN 606 820 302

Directors' meetings by this initial governance group were held on 28 July and 17 November 2015, and 8 April 2016. Minutes of these meetings are available to members on request.

# membership & finances

A total of 148 people and one corporation (MDA) have become members of Buddies Ltd since its formation. Membership is for the financial year and is renewable on 1 July.

Given the significant number of people joining Buddies Ltd late in the financial year, it was decided at the directors meeting on 8 April 2016 to allow the membership of those who joined Buddies Ltd after 31 March to remain current until 30 June of the following year.

In order to avoid confusion in terminology, the incorporation working group decided to distinguish those people, previously considered members of Buddies prior to incorporation and who receive the weekly e-Bulletin, but have not joined Buddies Ltd, as 'supporters'. There are currently 1059 such 'supporters'.

## **FINANCES**

The total revenue for the 12 months July 2015 – June 2016 from donations, fundraising and membership fees is \$22,529.10. ### OTHER KEY ACTIVITIES

- The weekly e-Bulletin has continued to provide an excellent quality news source for Buddies members, supporters and others with an interest in our cause. Key topics include: notice of relevant forthcoming events on the Coast and in Brisbane; highlights from current asylum seeker and refugee news coverage, often not found in the mainstream media; links to other organizations to support on-line action; as well as Buddies news and information. The new format Bulletin has enhanced the functionality of this highly regarded publication.
- The Buddies’ website and Facebook page have continued to provide relevant and current online information, and forum for sharing ideas, and have been used as a source of information for students and researchers nationally and internationally.
- Monthly meetings at 24 King Street, Buderim have continued to be a pivotal part of Buddies activities. Guest speakers have included: asylum seekers and refugees (e.g. the Bangladeshi boys of Kilcoy); those who have frontline experience working with these people (e.g. Lisa McDonald and Gabby Sutherland, formerly Save the Children, Nauru); and those who might directly influence policy change (e.g. candidates for federal election). The meetings are open to anyone with an interest in Buddies’ cause. New attendees have been consistently turning up at the rate of 6-12 or more each meeting, which is a clear indication of the growing level of interest and concern for asylum seeker and refugees issues in our community.

# outlook

Buddies Ltd is in a strong position to continue to provide emotional and material support to asylum seekers and refugees in the greater Sunshine Coast region and beyond through assistance, advice, advocacy, lobbying decision makers and community education for a more compassionate and just treatment for those seeking our nation's protection from persecution.

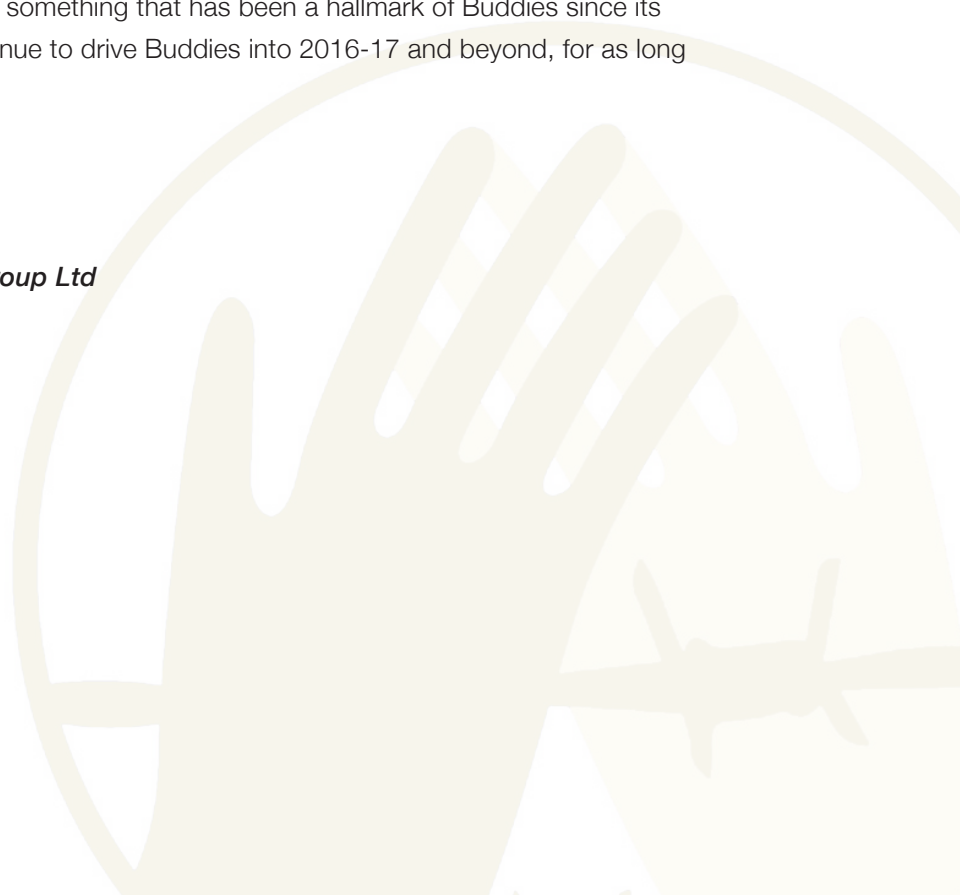

Membership and supporter numbers continue to grow strongly each month, which reflects rising concern amongst the community about the government's harsh and inhumane treatment of those who seek our protection and who travel by boat to reach Australia.

The level of fundraising and donations also continues to grow strongly, which reflects the compassion and generosity growing numbers in the community feel towards those in need. There is scope to substantially increase the funding available, by seeking grants or sponsorship, now that Buddies exists as a corporate entity.

With the growing number of members and supporters, there is also scope to increase the nature and scale of Buddies activities by any who have the desire and drive to initiate and lead such activities. This is something that has been a hallmark of Buddies since its inception in 2002 and will continue to drive Buddies into 2016-17 and beyond, for as long as there is a need.
